FEB 23 | COFFEE AND CONVERSATION

Environment and Justice: The Water Crisis in Flint, MI

11a - 12p, Clough 205Q (CAE/CSLS Lounge). Join Stephanie Ray, Associate Dean of Students/Director, Student Diversity Programs, Daniel Amsterdam, Assistant Professor, History and Sociology, and GT environmental engineering alums Dr. Christian Braneon and Dr. Zakiya Seymour to begin unpacking the social, political, technological, and environmental complexities of this tragedy and exploring potential solutions moving forward. Coffee and dessert will be served.

Co-sponsored by the Georgia Tech Black Alumni Organization.
